Institute of Actuaries of India

World Needs You

About IIRM

IIRM- Hyderabad promoted by the IRDAI & State Govt. of Telangana and is mandated to impart high quality education in line with the changing Industry needs and Economy at large. IIRM offers Post Graduate Diploma in Actuarial Science (PGDAS) (2 Years Full Time) catering to both Graduates and Professionals wishing for a career transition. Students who enroll for this 2 year program can get exemption/waiver of upto 7 Actuarial Science Papers from Institute of Actuaries of India (IAI), upon passing the specified subjects as per IAI standards.

Program Highlights

- Industry Oriented 2 Years Program Classroom Mode
- Post Graduate Certification from IIRM
- Can gain Exemption in 7 Actuarial Papers# of IAI (CS1, CS2, CM1, CM2, CB1, CB2 and CB3)
- Program Delivered by Experienced and Practicing Actuaries
- Program is currently guided by Ex-member (Actuary) IRDAI

Career Prospects

Actuarial Students have an important role in the Banking, Financial Services and Insurance (BFSI) sector and currently there is a huge Demand and Supply gap. Actuarial Qualified Students with necessary paper exemptions from IAI are the most sought after professionals in the Industry. IIRM's Placement vertical would play a supporting hand in this endeavour.

#Subject to conditions.

"Fast Track Your Actuarial Dream" @ IIRM
