Notification

Subject: Conduct of Online Supplementary Examinations
for PGCM (Batch 2020-21)

1. It has been decided to conduct Supplementary Examinations for the PGCM (Batch 2020-21) in the online (PDF) mode during July 2021.

2. The schedule of the Supplementary Examinations (Online mode) is notified in the Annexure -1.

3. In this connection, Students are required to note the following:

Sl. No.	Details	Scheduled Dates
1.	Date of notification for supplementary examination.	2nd July 2021
2.	Last date for email confirmation / Registration with Program Coordinator.	05th July 2021
3.	Commencement of Online Examinations	12th July 2021

4. Students should register their names with the PGCM Program Coordinator on or before 5th July, 2021.

Course	Program Coordinator	Email Id
PGCM	Ms. Ruchi Malhotra	ruchimalhotra@iirmworld.org.in

5. If no communication is received from the student on or before the 05th July 2021, no correspondence will be entertained.

6. Students can take the online examination from any place including their place of Residence.

7. Question Papers (QPs) will be sent on the day of examination to the student's official Email Id according to the examination schedule. If for any reason a student does not receive the QPs, he/she may send a mail to: ole@iirmworld.org.in upon which the issue would be sorted out.

8. Students are required to download and print the Answer Script of IIRM (pdf) sent by Examinations Department and write their examination on that particular Answer scripts only. White pages can be used as additional sheets.

9. Students need to write their answers in the stipulated time. After completion of the examination, answer script should be converted in to PDF file and sent to the email address ole@iirmworld.org.in within half an hour of completion of the examination time. No marks will be awarded if the PDF file is not properly scanned and submitted on time.

10. The Answers to each of the Questions must be in Student's own handwriting. If for any reason it is found that the handwriting is not that of the particular Student, even in a single Answer, he / she would attract disqualification.

11. The Answers must be in sequence as Q1, Q2, Q3 etc. Due weightage will be given to presentation, neatness, diagram wherever applicable.

12. Since the method stated above, amounts to open book examination, a Student is expected to answer in his/ her own words and not to copy from text books / other reading material or from other students. In case it is found that the answers are same or copied as stated, zero marks will be awarded and the student would be disqualified.

13. In case of a doubt related to an Answer Script or the Answer File, the Institute reserves the right not only to reject the Answer Script/Answer File but also cancel the Candidate's registration. In this regard, the decision of the Institute is final, in this case, the student will lose one free of cost chance of writing the examination.

14. In case of any technical issues related to sending of PDF files, you may contact the following persons on their mobile numbers.
