INSURANCE @ NEW NORMAL

.....

About the Conference

The insurance industry is at a pivotal crossroads, the "New Normal" in the insurance industry refers to the evolving landscape shaped by technological advancements, changing customer expectations, and the impact of global events like pandemic. This transformation is characterized by a shift towards digitalization, increased focus on customer-centricity, and the need for resilience in the face of unprecedented challenges.

This two day conference aims to explore the dynamic shifts and innovations shaping the future of insurance. By embracing technological advancements, prioritizing customer needs, and addressing contemporary challenges, the industry can navigate the new normal with agility and foresight. The industry is poised to evolve rapidly, driven by innovation, regulatory changes, and shifting market dynamics. This event gathers industry leaders, policymakers, technology experts, and stakeholders to discuss and navigate the complexities introduced by recent global challenges.

About IIRM

Institute of Insurance and Risk Management (IIRM) is a higher educational institute set up by IRDAI and Govt. of Telangana keeping in mind the rapid opening up of financial sector as a part of developmental responsibility and to create a pool of skilled, talented professionals for the insurance, risk management and related financial sectors. BFSI has been at its epicentre in creating leaders of tomorrow.

The Insurance Conference 2024 will be held at the Institute of Insurance and Risk Management (IIRM), Gachibowli, Hyderabad, Telangana during October 18th & 19th 2024 (Friday & Saturday). In this context IIRM invites full length research papers for the conference on the following broad theme "Insurance @ New Normal" and on other sub themes. Since insurance sector is a larger part of financial sector, papers on financial sector themes and on sub-themes will be included for incisive policy debate and discussions at the conference. Authors are requested to submit their papers addressing any of the suggested/indicative sub-themes or thereabout. We encourage paper writers from Academic, Industry practitioners and policy makers.
