

Certificate Course on “Technical Aspects of Reinsurance”

Knowledge Sharing

About Institutions

IIRM is an educational Institute set up by Insurance Regulatory Development Authority of India (IRDAI) and Government of Telangana keeping in mind the rapid opening of financial sector as a part of developmental responsibility and to create a pool of skilled, talented professionals in the Insurance, Risk Management and related financial segments. The Institute is involved in offering academic programs to students, training for working professionals, and into research, mainly focusing on Insurance, Risk Management, Finance, Financial services, Analytics, Actuarial Sciences, and other allied areas. IIRM's training programs enable working professionals to achieve improvement in their career graph. The Institute's training programs are designed and offered in various models, to upgrade the knowledge and skills of professionals, which is always desirable for climbing the corporate ladder in today's competitive world.

The J.B.BODA Group is a pioneer of Reinsurance Broking business in India established in 1943 and is in the journey of its 80th year. JB Boda group is well connected worldwide with businesses transcending boundaries. Starting from a humble beginning, JB Boda has grown with automatic extensions to services of Direct Broking, Asset Valuation, Non-Marine & Marine Survey, Risk Inspection, Protection & Indemnity, facilitating Actuarial Services (Life & Non-Life).

IIRM & J.B. BODA having expertise in the respective domains, aim to build powerful thought-leaders and serve the opportunities for the insurance fraternity with professionals in insurance and reinsurance. Both the entities jointly remain committed to deliver training programmes, both for short-term & long-term certificate courses, including customized programmes for meeting the requirements of the industry.

As a part of collaboration the Certificate Course is planned in the month of July 2026 on Topic, “*Technical Aspects of Reinsurance*”.
