IIRM

(A Joint Initiative of IRDAI and Govt. of Telangana)

27th & 28th November 2026

ANNUAL INSURANCE CONFERENCE - 2026

Theme: 'Accelerating Insurance Inclusion in the Digital Age'

Aligned with IRDAI's vision of "*Insurance for All by 2047*" and the national mission of *Vikasit Bharat 2047*, the insurance sector is entering a new era of growth and opportunity. Recent reforms, including the Insurance Amendment Act, have opened dynamic pathways for expansion and innovation. The **Annual Insurance Conference 2026** brings together industry leaders, technology pioneers, researchers, and regulators to explore reshaping the future of insurance in InsurTech and Artificial Intelligence.

Key discussions will focus on **AI-powered underwriting, predictive claims management, digital distribution, customer-centric ecosystems, and sustainable insurance models.** Participants will gain valuable insights into practical applications, regulatory perspectives, and collaborative strategies to ensure that innovation aligns with **trust, transparency, and inclusivity.** "This conference is designed and curated to serve as a premier platform for sharing **cutting-edge research, real-world case studies, and best practices,** while fostering strategic partnerships that will define the next era of insurance transformation. The **deliberations and exchange of ideas among thought leaders are expected to provide critical insights and actionable frameworks** for policy reforms in the insurance sector."

About IIRM

Institute of Insurance and Risk Management (IIRM) is a higher educational institute, set up by IRDAI and Govt. of Telangana keeping in mind the rapid opening up of financial sector as a part of developmental responsibility and to create a pool of skilled, talented professionals for the insurance, risk management and related financial sectors. BFSI has been at its epicentre in creating leaders of tomorrow. The Insurance Conference 2026 will be held at the Institute of Insurance and Risk Management (IIRM), Gachibowli, Hyderabad, Telangana during November 27th & 28th 2026 (Friday & Saturday).

In this context IIRM invites full length research papers for the conference on the following broad theme and on other sub themes: '**Accelerating Insurance Inclusion in the Digital Age**'. Since insurance sector is a larger part of financial sector, papers on financial sector themes and on sub-themes will be included for incisive policy debate and discussions at the conference. Authors are requested to submit their papers addressing any of the suggested/indicative sub-themes or thereabout. We encourage paper writers from Academic, Industry practitioners and policy makers.
